

(..providing Leadership Workshops with fresh ideas...)

MINISTRY UPDATE— NOVEMBER 2015

NEXT: PRAYER DAYS—DEC 4TH NOON & 7:30 PM

Fall Fun Fest— Baltimore— Halloween night

Toolkit joined with New SW Baptist Church— Pastor Steve & Kerri Fleck— as they opened the neighborhood to the gospel on Halloween night.

We are grateful for God's power and protection as we shared a Gospel message from the Bible to challenge which god to you serve? Money or the Creator

Although we didn't have as many attendees as in previous years, the young people and teens were very attentive and we pray for fruit from the hard work and unity of God's people.

PRAY FOR BALTIMORE this season and that the Lord may be glorified.

THIS SEASON:

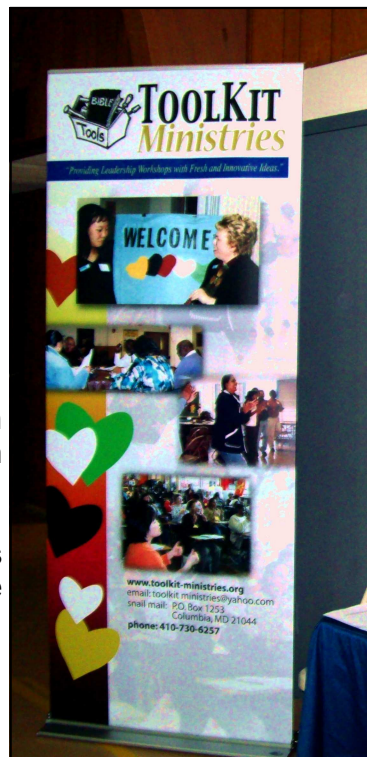

Toolkit would like to take time to thank And pray for all the team supporters and Prayer warriors that have made this Ministry possible over the past 15 years.

We praise the Lord that we have been able To help and encourage God's outreach Workers to give their best to affect The lives of the people around them with the simple Gospel message grounded in the foundation of His Word, the Bible.

We look to what we can do for Jesus this season to reach the lives of others with the only message of HOPE.

Thank you all for your fervent prayers.

Always in Christ, Dr. Nancy Shields
Director and founder

New Half Day Now available for In-church seminars:

Know what you believe!

Quite often we are challenged to provide short, concise answers for what and why we believe. Here are some helps to build confidence in: Is the Bible true? Is God good? Who is Jesus really? Do you believe biblical creation? We are going to share some helps to be prepared to answer some of these questions.

Share what you believe!

Questions can open opportunities to share God's message with your story. We will discuss a simple method of taking your story & His story to develop your salvation testimony to share with others. In addition, we will look at personal encounters with God in your life you can use as a witness to challenge and encourage others.

PRAY for the Lord to manage 2016 work-shops for Toolkit Ministries!
