(..providing Leadership Workshops with fresh ideas...)

## MINISTRY UPDATE— MAY 2017

**NEXT: PRAYER DAYS— MAY 26**

### Kings Chapel, Rosedale, MD.

Toolkit was able to work with the faithful leaders of Kings Chapel to share “Teaching from the Word” and “Learning can be fun”- interactive and fun classes in their initial workshop at Rosedale MD in April.

Its been an answer to prayer since we have asked for 3 new locations in 2017 for in-church workshops. This is the first to respond. We also thank Chris

Mikesh, Awana missionary, for making the connection to help this small ministry. We love working with volunteers that are eager to find ways to reach the children for Christ and help them grow in His image and not just use Sunday school and Jr. Church as a day care ministry.

We praise the Lord for these faithful leaders and will pray with them for more workers to come along side to serve the Lord as a team, redeeming the time God has given them.

Toolkit has had a motto for 16 years “Have Toolkit will Travel”.

We pray for more opportunities to use what we have to encourage and provide “fresh ideas” for ministering through the local church to build God’s team in today’s world.

God’s work takes teamwork. Feel free to share our vision with others.

Please Continue to Pray for God to use this Ministry until He returns.

Thank you so much
