

TOOL KIT MINISTRIES – 2013

Dear Ministry Partners:

Thank you so much for your prayers, your help and your support for 2013. There has been more speaking opportunities this year in diverse ministries and places.

In January, Tool Kit was part of the **GWCEA convention** at a new location at Baltimore Convention Center – teaching 3 workshop classes of over 70+ church leaders.

In March, Tool Kit conducted a teachers seminar at the **Columbia Chinese Baptist Church** in Ellicott City, MD on “Putting it all together”- classroom management and demonstration of “Dynamic Sunday School Class” to experience a powerful class from seat of the students.

In March, Toolkit also joined forces with CBM of MD in Baltimore City in “**The Romans Road**”, a hands-on workshop to sharpen counseling with the Bible for salvation on these dedicated, volunteer childrens’ leaders working in the public schools of Baltimore.

In April, Toolkit brought a leadership Seminar to the **Chinese Bible Church of MD** in Silver Springs bringing “Beyond Story Telling” and “Dynamic Preschool class” the volunteer teachers and leaders of this ministry.

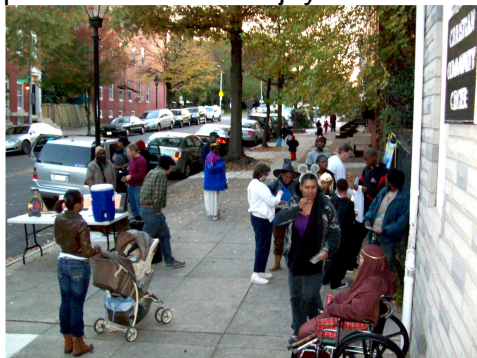

During the late Spring and Summer months, Dr. Nancy was involved in VBS Training of workers and working directly in training teachers and teens in Columbia, MD at **Harvester Baptist Church**.

Dr. Nancy and team also went to a week long conference at a **Creation Summit** to obtain information and materials in preparing new upcoming topics in helping the teachers and their students deal with today's challenging questions.

In October, we again held 2 workshops at the **AWANA annual conference** in Bowie, MD. It was great to be able to encourage so many workers to be “ready” to share gospel and meaning of the scriptures to their young charges during weekly AWANA clubs.

October 31st, we joined with **New S.W. Baptist Church in Baltimore** to bring Gospel message at least 4 times during their “Fall Fun Fest” to young and old during this special event. It is a joy to combine with other ministries in doing God's work.

In November, Dr. Nancy tested out teaching to a Jr. Church (1st-5th graders) “**Answers to Hard Questions Kids Ask**” by teaching series of lessons to address these issues. The results helped provide reinforce to the authority of the scriptures while providing practical questions for kids to defend their beliefs.

Special speaking in 2013 for Dr. Nancy including The Childrens’ Chapel several times at **Grace Christian School** in Bowie and teaching at ladies chapel at **Karis Home** (Baltimore Rescue Mission) several times during the year.

“God’s work takes team work” – What a variety of events, challenge to follow God’s leading and direction !!!!

This year we ministered to a total of 338 church leaders in training classes, bringing the 13 years ministry total to 5,902 church leaders year to date.

May the Lord use these people and churches to multiply His Kingdom by sharing, reaching and teaching others to do the same.

Thank you again for sharing in these unique challenges and opportunities. Please keep the prayers coming for God’s direction and provision for this faith based ministry.

Always in Christ (1 Peter 3:15),

Nancy B. Shields
