Karis Home- Baltimore Rescue Mission speaker

The pandemic is still here and so are the opportunities to share Christ. The Karis Home, women's division, of Baltimore Rescue mission is a great opportunity to share spiritual truths as well as meet physical needs for homeless. Dr. Nancy goes regularly with Bible messages of hope, hymns of praise and challenges to live for Jesus even during these trying times.

Message shared by a missionary from Albania who has seen many fleeing refugees come to Christ:

What have we learned during our unique time of instability?

God is still on the throne and many are turning to Christ during this time of fear and great trials across the world. Christ is LORD and the only hope for all mankind.

Toolkit is a faith ministry and is supported by your prayers.
